4. Topics of discussion for this meeting:

- Ms. Roupe reported that she is disappointed with the Survivors Outreach Services (SOS). She stated that talking with many surviving spouses they are dissatisfied with the program and are driving to other military installations for services and events for Surviving Families. Ms. Roupe did some research on other SOS Centers and found most have three or more events per week whereas Fort Hood SOS only listed one event for families for the Month of April on the calendar. A discussion pursued regarding the activities held at Fort Hood for Surviving Spouses. Ms. Roupe mentioned that she and many surviving spouses of the Fort Hood Community participated in a fashion for American Widows Project that was held at the Killeen Civic Center on 21 Mar 2013 @ 1900 hrs. The organization was raising funds for the SOS Center, in which over \$4,000 dollars were raised. The Surviving Spouses were very disappointed that no staff from the SOS Center or leadership from Fort Hood was there to show support for the surviving spouses. Ms. Roupe did state that she and Ms. Hildner met with

James Etzie, the Director of SOS and explained their concerns regarding the SOS. GEN (Ret) Griffin asked Ms. Roupe if she would be willing to go to a meeting with him to see the MWR Director Mr. Nick Johnson. He wants to ensure the Corps and Garrison Commanders are aware of this.

- GEN (Ret) Griffin asked Ms. Bedgood if they had started planning for RAD. She said yes. She has already sent the request in for the mobile VET with Charles Eaton in Harker Heights.

5. Individual Council Member Updates:

- Health Care Advisory Council Update. C CSM (Ret) Waller passed out a sheet summarizing the Health Care Information (attached). He also reported that there is an issue with logging into the post website from off post. CSM (Ret) King and CSM (Ret) Waller will look into it. It was discovered that it was the customer's computer settings that were causing the problem not the system on post.
- Benefits Update. CSM (Ret) King stated he has the CSA Council next month and more information will be out after it as far as benefits are concerned. GEN (Ret) Griffin said some things will not be supported but as far as our council is concerned when we have an issue with funding, we need to raise it to the right level for support.
- Installation Update. CSM (Ret) Bobb reported that the post Express Lanes to enter post have been taken away due to recent events. They will reopen at some point. Any of the gates on post may have to close for higher security. CSM (Ret) Bobb also presented each member with a bag of items from ACS primarily flyers for upcoming events.
GEN (Ret) Griffin asked about the soldiers at the PX wearing black vests. CSM (Ret) Bobb said that they are part of the Combat Readiness Battalion. Their main purpose is to provide support in high risk areas such as main headquarters building, shopping areas, welcome center and schools.
- AAFES/PX Council Update: LTC (Ret) MacMillan reported that the Warrior Way Specialty Store will be closed on Wednesdays. They will be open Monday, Tuesday, Thursday and Friday until 1930 hours. - Commissary/DECA Council Update: SFC (Ret) Evans-Quickley reported that she has been working with the commissary to stop throwing out the roasted chickens. They are now marking the price down an hour before closing and if there are any left they donate them to a food bank in Killeen. The food bank is called Once in a Lifetime. She said that about 147 military families have benefited from the area food banks. SFC (Ret) Evans-Quickley said several commissaries are doing big promotions to gain and keep customers.
